Amaze Cuts Costs in Two Ways

Wherethe Savings areFound

1 Simplify and reduce vendor fatigue with Amaze.

Having one partner and platform allows employers to eliminate many existing services.

Typical Offered Resources	Monthly Cost Per Employee
EAP Program	$1 to $3 PEPM
Virtual Urgent Care	$7 to $15 PEPM
Wellness Platform	$3 to $8 PEPM
Chronic Care Management	$10 to $20 PEPM
Workplace Injury Triage	$1 to $5 PEPM
Virtual Dental Support	$1 to $4 PEPM
Navigation and Advocacy	$8 to $30 PEPM
Potential Total Cost	**$31 to $85 PEPM**

Crossroads Health & Wellness/Amaze Health includes above services and more for a Flat $15 PEPM

Integrates with most payroll providers/vendors and internal payroll systems

Reduce HR workload as Amaze Health uploads your current medical benefits to assist your employees and families with benefit services decision making procedures

It's not necessary to cancel all other services. Many Amaze clients simply phase them out over time as their employees learn to rely on Amaze.

The inability to carve out other services is not an obstacle to getting started, nor are narrow networks or affiliations with local medical systems.

Amaze coordinates with all third-parties available to its customers.
